

Edward Deakin

About Me

I have had a keen interest in all things technological since a young age. This interest was developed further after being introduced to advanced coding (ASP.NET in a Visual Studio environment) by an older relative.

📅 DOB: 10/12/2007

| Education | Experience | Next Steps |
|--|---|---|
| Hartshill Academy 2019-2024 9 GCSEs passed Grades 5-7 | Temporary Admin Assistant Nutripack UK June 2024 | I am currently searching for part-time opportunities with a maximum of 12 hours. I would be able to work full-time hours during college holidays. I would like a job to help me gain more experience in the world of work and to sustain me through college and university. |
| King Edward VI College (Nuneaton) 2024-2026 (Current) Computer Science, Applied Business, eSports and Mathematical Studies | I assisted Nutripack's Admin in duties such as packing parcels, stacking pallets, booking transport, invoice auditing and order creation/management on SAP. | |

| Achievements | Skills | Future Ambitions |
|--|--|---|
| Completed Springpod's Technology course and Open University's UI Interface course and Simple Coding course | Ability to code JavaScript, Python, HTML and CSS Experience navigating and developing on Linux infrastructure | I would like to become a software engineer for a technology startup. I would like to be part of a team that creates software to make people's lives easier. |
| Developed a train journey planning tool called PlatformPredict boasting around 1700 lines of code over three languages and is used by many | Warehouse/office experience including using SAP | |

Testimonials

Harry Conor Lucas
Cofounder and CTO at Phasio

As a true digital native, he is well prepared for the modern world of work which is more decentralised and technically specified than ever before.

Ales Rechterik
Product Owner of Zerops

Edward has demonstrated excellent general knowledge about programming and good common sense, as well as the ability to create applications beyond what I would expect from someone of his age.

Ruben Cranmer
Customer

He is a hard worker who never misses a deadline and gets jobs done quickly.
